

# The University of Fiji

## School of Business and Economics Employment Opportunity

### Senior Lecturer / Lecturer in Economics

Ref: SoBE 09/11

The successful applicant will teach courses at the undergraduate and postgraduate levels in Economics and engage in research in his/her area of interest. Candidates for Lecturer's position should have at least a good Master's degree in Economics and relevant teaching experience at the tertiary level. For appointment at the Senior Lecturer level, applicants are expected to have a PhD in Economics or professional experience as an economist at a senior level.

Candidates should have strengths in at least two of the following areas: Microeconomics, Monetary Economics, International Economics, Economic Growth and Development. Applicants should have a good working knowledge in mathematics/statistics, good IT skills, interpersonal and communications skills.

#### Salary range

**Senior Lecturer: FJD \$44,000 - \$54,000 per annum**

**Lecturer: FJD \$34,000 - \$43,000 per annum**

The University also contributes 8% of salary towards the staff member's provident fund account. The University provides assistance towards passages and removal expenses of personal effects.

Applicants to the above positions should send two copies of their application. The application should address the criteria for the position and quote the reference number, and should also include a full curriculum vitae with the names and addresses, email and phone contacts of three professional referees. Certified copies of academic qualifications and transcripts should be sent with the application. Applications should be sent to The Registrar, The University of Fiji, Private Mail Bag, Lautoka, Fiji. Candidates may send their application by email to The Registrar, Mr. Tito Isala (titoi@unifiji.ac.fj) or fax 6640700 but must send signed hard copies by post.

**Applications close on 24 June 2011**

**Flexible Innovative Affordable Futuristic**
