TSLS announces Opening of Online Applications for Scholarships

The Tertiary Scholarships and Loans Service (TSLS) wishes to advise potential scholarship applicants that the first phase will open **on 8th of December 2023** for the 2024 academic year, where application account can be created on the online application and processing system available on www.tsls.com.fj. Upon the account creation, applicants proceed to complete personal details.

The phase two (2) will open on **15th of December 2023**, which will require applicants to complete programme and Tertiary Education provider choices, upload bank account/ mobile wallet details, highest educational attainment, and income details where applicable to relevant schemes.

Phase three (3) will allow the applicants to load the final Year 12 and Year 13 results or recognized equivalence upon receipt and the confirmed offer letters (*not provisional*), from the preferred Tertiary Education providers.

Once the three phases are successfully completed the application will move to the processing stage for assessment against the relevant eligibility criteria and the student will be notified accordingly on the email registered on the system.

For a detailed understanding of the eligibility criteria and comprehensive information on the various schemes available, applicants can refer to the Community Awareness Handbook on www.tsls.com.fj and on TSLS social media pages.

For additional guidance or enquires, students are welcome to visit the nearest TSLS office, reach out via email at it@tsls.com.fj or contact us through our social media channels.
